SUMMARY

I'm a creative and detail-focused UI/UX and Graphic Designer with practical experience in branding, digital design, and print media. I've worked on everything from logos and banners to full user interfaces—always aiming to create designs that are not just visually appealing, but also user-friendly. Currently pursuing my BCA, I bring a blend of technical knowledge and design skills to every project. I enjoy working closely with teams and clients to turn ideas into clear, impactful visuals. Known for my strong communication, problem-solving abilities, and a genuine passion for creating thoughtful, innovative designs.
